

Travel from Constantia Nek down Main Road into Hout Bay; at the traffic circle go straight through; police station and fire station will be on your left; approximately 100 meters after the fire station you will see Kitima Restaurant on your left; it is a white, historic Cape Dutch Style building with a pitched roof and green shutters. If you get to the BP service station you have gone too far, turn back. Parking is available on-site and across the road – there will be parking attendants present.
